TINY TINA'S WONDERLANDS: CHAOTIC GREAT EDITION

READ MORE ↗

ABOUT THIS GAME

Party up with friends in cross-platform multiplayer!

Embark on an epic adventure full of whimsy, wonder, and high-powered weaponry! Bullets, magic, and broadswords collide across this chaotic fantasy world brought to life by the unpredictable Tiny Tina.

Roll your own multiclass hero and loot, shoot, slash, and cast your way through outlandish monsters and loot-filled dungeons on a quest to stop the tyrannical Dragon Lord. Everyone's welcome, so join the party, throw on your adventuring boots, and be Chaotic Great!

AN UNPREDICTABLE FANTASY WORLD

Tiny Tina is your disorderly guide through an extraordinary tabletop realm where rules rarely apply. Explore a vast overworld spanning majestic cities, dank mushroom forests, foreboding fortresses, and more!

GUNS, SPELLS, AND MORE

Blast baddies with powerful guns and devastating spells in frenetic first-person battles. Use your firepower to vanquish legions of enemies, including smack-talking skeletons, land-roaming sharks, and colossal bosses. Then delve deeper into dangerous dungeons for a shot at epic loot!

PARTY UP TO DEFEAT EVIL

Joining you at the table are headstrong captain Valentine and rule-obsessed robot Frette. During your quest to defeat the Dragon Lord, you'll meet a cast of lovable misfits like a lute-wielding Bardbarian and your very own Fairy Punchfather.

PERSONALIZE YOUR HERO

Create the perfect hero with deep customization, including a multiclass system that lets you mix and match six unique character skill trees, all with their own awesome abilities. Level up, refine your build, expand your arsenal, and become the ultimate adventurer.

BAND TOGETHER IN CHAOTIC CO-OP

Enjoy the story solo or start a party with up to three friends in seamless online multiplayer. Share the spoils or rush to get the shiniest loot—how you play is up to you!

After finishing the main story of the game alone, I can really tell that this game is worth trying especially on sale. The entire design of the game compared to the other borderlands game is refreshing. The story is good but not the best, it is overall interesting and sometimes funny. The gun game play is good but also not the best, it is delicious but the other guns feel off. I have also heard that this game has the best end game compared to the other borderland title games.

i would only buy this game for 20\$ or less.

its lack of content and common bugs are gamebreaking and frustrating

you like guns that wont reload?
bosses that kick you mid fight on multiplayer?
mobs stuck under the terrain?
stuck npcs that wont move to progress the quest?

"but we made it during covid"
shouldve delayed

Great game but after losing 2 characters to corrupted data before level 20, I couldn't possibly recommend that anyone purchase this.

I just got the game but I just love the borderlands franchise. Guns, bullets, abilities and usually a pretty good story line. So I can't ask for much when it comes to this series.

Glad I gave this game another shot.
The first time around, I was turned off the second I saw the world map.
However, that is just a very small fraction of the game.

The story and game play is just like any other borderlands, and even better then some of them. The way they tie D&D into the story, voice lines, and game play makes it very enjoyable just to listen too.

Great choice focusing the game around one of Borderland's best and most entertaining characters.

Loved how diverse the game was with all the weapons and equipment. Classic Borderlands style, not to many side missions which was slightly disappointing but it was definitely a must play in my book!
